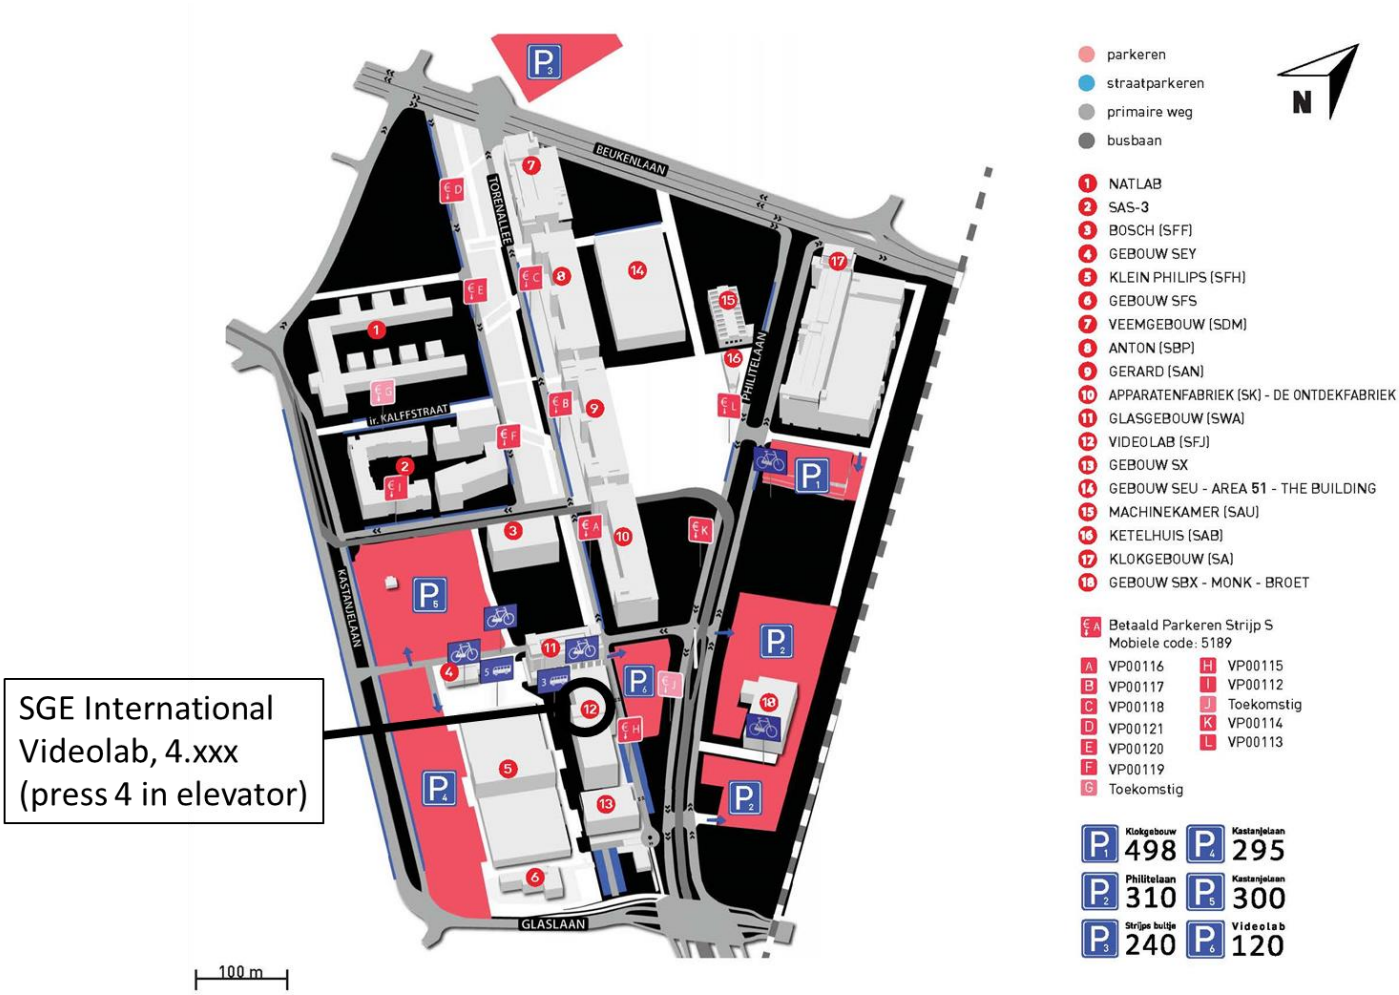
Parking

Parking space is available close to the Videolab building (see map)
Depending on where you have parked your car you can enter the Videolab from the front (P2, P6) or from the rear (P4, P5).
Parking fee is € 1,40 / hour (in 15 minutes increments), payable when you leave. Payment terminal can be found at the exit of the Videolab. You can pay with a bankcard, credit card or cash.

You can also park at parking spots in the street. Pay in advance and purchase a ticket at the machine in the street. For these spots you can also pay with Parking Apps like Yellowbrick, Parkmobile or Parkline. (Code = 5189)



Public transportation

You can reach the center by bus, lines 401, 402, and 403 that stop at Glaspoort.

Directions

You can enter the Videolab building through the main (front) entrance at the Torenallee or from the back. From the front go straight ahead past the reception and you'll find the elevator banks at you right. If you enter from the rear, you'll find the elevators directly at your left.

When in doubt you can always ask the receptionist.

In the elevator press 4. When you exit the elevator you'll find the entrance to the SGE International center directly around the corner. The center is located at the NE-side(frontside) of the buiding.
